COLLEGE ACCESS INITIATIVE

We recognize the importance of education in determining future success, and we believe that every individual deserves to have the opportunity to obtain a quality education. We developed specialized text campaigns (both for middle schoolers and high schoolers) as part of our College Access Initiative (CAI) program to provide urgent and ongoing information to students, school counselors, and parents via text messaging. With the help of this innovative and easy-to-use system, students will receive personalized updates based on the year in which they will graduate from high school.

Support is available for middle school and high school students in the following areas:

- Financial Aid
- Admissions Deadlines
- College Prep
- Post-Secondary Education Options
- Grants/Scholarships
- SAT/ACT Testing Guidance
- FAFSA Guidance
- Test Prep
- Academic Planning
- Mental Health
- and more!
